The screenshot displays a web browser window with the Canva design tool. The main canvas shows a presentation slide titled "UML" in a dark blue rounded rectangle. Below the title is a UML class diagram with several classes and their relationships. The left sidebar contains various design elements like templates, text, and images. The bottom of the screen shows a video conference interface with four participants: Emir #opentowork, Kamal Makarim Isk..., [RA] reibar, and Muhammad ... The interface includes navigation icons and a status bar at the bottom.

**Thank you!**
